Condolences:	Dear Pap and Family: I am so sorry to hear of the passing of Nanny. She was very kind to me, and I enjoyed her laugh and her nurturing soul with her family. I remember Nanny calling my house after my mother passed and how kind it was of her to do that. Sickness is difficult, and I remember how tired my Mom got with the 'fight' and pain. Our priest said to us, "We cannot deny them their long awaited rest." May peace be hers <u>now</u> , and peace find you all in your healing and loving memories!
